

Foundation Meeting

February 1, 2017

Announcements:

We received a second estimate on replacing the mulch on the front playground area. The price is \$59,875. This company would also remove the concrete map area and replace it with immovable mulch. The board is in favor of moving forward with this project. The next steps would be to obtain a detailed plan to turn in to the county for approval.

Fundraising:

Dance: Friday, February 3rd. All planning going well. Have 10 high schoolers as well as several parents signed up to help. 92 people have prepaid for their tickets (20 have prepaid for their photo), and we anticipate more to pay at the door. We will order 150 Chick-Fil-A chicken sandwiches and will feed the volunteers free pizza. Heroic Gaming will be present at the dance, as well. Still working on a possible pediatric dentist to sponsor the candy bar.

Grad Yard Signs: We ordered 3 sample signs. One sign was sent with the wrong name, working on fixing that. Two signs are out in front of the school to advertise.

Profit and Loss:

No big changes. Grants paid out up to \$8,162, still have a few more to pay. \$1420 spent for dash prizes. Net loss \$29,656.

ASEP Update:

LeeAnn spoke with Bob at ClubSci, he says our check is in the mail.

Club enrollment numbers:

Brainy Builders: 20	Strem HQ: 11	Spanish: 23
SmArt Club: 16	Kids Keys: 10	Guitar: 5
Challenge Island: 21	N-Zone: 27	

PTA Liaison Update:

Variety show (Feb 2), book fair (March), Night of the Arts, kindergarten registration.

Davis Dash:

We will promote a "what to know" about the dash. It will go out in 2 weeks. Linda has collected a lot of prizes. We will advertise companies who give prizes on our website and facebook. We still only have one sponsor. Teacher kick off is March 7. Student kick off is March 14. We'll hopefully have the Lassiter students doing a demonstration there. Dash is on March 22. We will ask Mr. Lewis to DJ the Dash.

Our next meeting March 1st at 9:30 AM in room 307.
